

KEYLESS1-SN

CAPABILITY STATEMENT

KEYLESS.CO

KEYLESS360-SN

CORPORATE PROFILE

Since the inception of the Keyless1 in 2012, Keyless.Co has risen to be the global leader of the keyless revolution in locker security in over 60 countries. Based in Irving, Texas, Keyless.Co is the premier manufacturer and supplier of keyless combination locks, padlock hasp locks and locker hardware for high-security facilities worldwide.

Keyless.Co's mission is to empower business owners and operators worldwide to provide their guests with peace of mind and security in trusting their belongings are safe in every space.

We strive to be the most simple, sustainable and secure solution while protecting our products with outstanding customer service and guarantees. Keyless.Co places the highest priority on customer service, backing our products with the strongest replacement warranties in the industry and a track record that has a near-zero defective rate.
